4) PROGRAMMING

2021 Grant Program
Executive Director Leon Guerrero stated that CAHA staff received 21 applications for the annual grant program and review is on-going.

The CARES Act Emergency Relief Funding Program will have three grant lines when launched:
- Art and Cultural-based Nonprofit Organizations.
- Other Nonprofit organizations that have arts/cultural programming for calendar year 2020
- Individual artists
All grants require that the applicant has been impacted by the COVID19 Pandemic.

Arts Across of America
Executive Director informed the board that due to the lockdown, the original dates for the Guam Arts Across America performances have been postponed until November 12 and December 18, 2020.
5) FINANCIAL REPORTS

Executive Director summarized CAHA’s Financial Status as follows:

**Bank of Guam Accounts** [Attachment 5]
- Revolving Fund Balance: $5,537.24
- FestPac 2016 Balance: $2,225.10
- % of the Arts Balance: $912,856.25

Chairman commented that the FestPac account needs to be closed and the transfer of $200,000 to fund CAHA’s operation will be confirmed after the FY2021 budget is passed.

Executive Director summarized August 30, 2020 account balances. She informed the board that the 2020 NEA grant has been extended until 2022. The Chairman recommended a complete reformat of the financial report and commented that maybe the Covid 19 funding may be used for rent.

Executive Director stated that Cares Act funding deadline is December 30, 2020 and amounts awarded will fall within two categories – organizations ($10,000) and individuals ($5,000). The grants management software will allow the Board of Executive Directors to review applications online. The FY2020 budget bill currently being considered includes the possibility that all FY2020 funding be carried over until next year except the overmatch account.

Executive Director reported on the FY 2020 budget balances as of 31 August 2020. [Attachment 6 &7] Executive Director presented a draft FY2021 budget based on the amounts presented in the draft budget bill being considered by the Legislature. [Attachment 8] She addressed the following expenditures: Contracts include required advertisements for board meetings at $3,000; The Copier Lease which is currently under a 5-year lease; $1,200 for the much-needed website upgrade and $4,387 that was earmarked for special projects.

She reported that the budget was already bare bones and required further cuts in Personnel, Grants, Supplies, Contractual Services, Membership in NASSA and costs for graphic designers. The budget show total funding cuts of $964,439.00.

Executive Director mentioned that BBMR staff informed her that the Governor had submitted a substitute budget of $794,598.00 for CAHA. Chairman reiterated that due to the major budget cut, Senator Marsh requested that CAHA use $200,000.00 of the $350,000.00 that the Legislature allotted to FestPac from the percent for the arts for operations.
The Chairman questioned the funds in the FestPac bank account. He believed they were for the 2016 FestPac. Ms. Jackie Balbas informed him that all 2016 FestPac funds were transferred to GVC and that the CAHA FestPac account contains funds that were donated from vendors for the 2020 FestPac.

Member Max Ronquillo recommended that CAHA Representative should write a letter to inform the donors of the status of the FestPac and ask if their donations may be used for the upcoming 2024 FestPac. Mayor Gogue commented that an option to returning their donation should be considered as well.

6) OLD BUSINESS

Signatory Authorization Resolution: Chairman commented that at the last meeting Mayor Gogue stated that he believes the Chairman should be a signatory authority for all accounts. Mayor Gogue reiterated that he needs to review the bylaws and went on to mentioned that the mayor’s office has a revolving account and that he is the only signatory to the account if the purchase is less than $500.00 and if more than $500.00 two signatures are required and the same concept may be applicable to CAHA.

[Attachment 9]

Executive Director Leon Guerrero expressed her concern that if the Chairman goes off-island and unable to sign the check(s) this may cause a delay in CAHA’s operation. Therefore, it is necessary to have several board members authorized to sign checks.

The Chairman concluded that he will revisit the bylaws and work with the Executive Director Leon Guerrero to finalize the Resolution for the next meeting.

The board chairman asked for volunteers to work with the Executive Director to finalize the strategic plan. The following members volunteered. Vice Chair, Joseph Certeza, Secretary, Patricia Krise, and members Donna Kloppenburg and Roland Zepeda.

The Executive Director will contact committee members and arrange to meet the following week to finalize the strategic plan.

Board members present included Mayor Jessy Gogue, Patricia Krise, Donna Kloppenburg, Dr. Judy Flores, Frank Rabon, Rolando Zepeda, Vince Reyes and Max Ronquillo. Mr. Ronquillo motioned to table the meeting minutes of July 7, 2020 to be reviewed by the Board prior to adjournment of the meeting. Motion seconded by Dr. Flores. 

UNANIMOUSLY APPROVED

3. EXECUTIVE DIRECTOR’S REPORT

a. Introduction of New Staff
   Director Leon Guerrero introduced CAHA’s new Administrative Officer, Ms. Genevey Kloulubak to the Board.

b. Organization
   Director Leon Guerrero stated that she has reached out to Dr. Doreen Crisostomo, Associate Professor, Business and Public Administration, University of Guam to try to obtain an intern to conduct research on the best organizational status for CAHA. Dr. Crisostomo stated that the internship is more hands-on work rather than research related. Director Leon Guerrero indicated that she would explore this matter further.

c. By-Law Amendments and Revision
   Director Leon Guerrero indicated that this too is a work in progress and may be something an intern could help with this.

d. Strategic Planning
   Director Leon Guerrero informed the Board that strategic planning meetings with the staff began this week. She and the staff are really happy going through this process. Meetings centered on the history of the organization, the by-laws, reason for its existence, staffing duties and responsibilities, and what they have been tasked to do over the years, as well as all of the programs (new and old). Pending topics include an evaluation of the job tasks in relation to programs. A report will be provided to the Board upon completion of the assessment. We then look at how this relates to the programs and how the various activities support our mission. Once completed, we will provide the board with our report for their review.

e. Community Focus Groups
   Executive Director Leon Guerrero announced that Community Focus Group Sessions will be conducted every Friday in August with the first meeting scheduled for this Friday. There will be 6 – 8 focus groups with a limited number of outside attendees from all cross sections of the community. Joe Quinata, Chief Program Officer of the Guam Preservation Trust will serve as co-facilitator for the focus groups. Director Leon Guerrero inquired from the Board as to whether they had received the Strategic Plan Focus Group Schedule, which will be held on the first three Fridays of August (August 7th, 14th, & 21st). She added that she needed 2 more board members for the focus groups, one for Literary Arts/Spoken Word session and one for the youth session. Literary Arts/Spoken Word is set
for 1:00 p.m. this Friday, August 7th, while the Youth group is scheduled for 1:00 p.m., August 21st.
Director Leon Guerrero remarked that any Board Member interested in volunteering for the focus

group, to please let her know.

f. Operation: Office Space
Director Leon Guerrero informed the Board that the bids for the lease were supposed to be opened on
July 6th, but no bids were received by that deadline. The General Services Agency (GSA) extended the
deadline to July 23, 2020. GSA received 1 bid, but it did not meet specifications. The Director has to
make adjustments to the specifications in order for GSA to reissue the bid. This will restart the process.
August 7 is the deadline to turn in the amended. The Director added that she has sent an email to the
Director of Administration and copied it to the Lt. Governor and Chief of Staff in hopes that this will
impact GSA to facilitate CAHA’s request to reissue the bid.

g. 2021 Budget
Director Leon Guerrero stated that during CAHA’s budget hearing and through communications
thereafter, the FY 2021 budget that was submitted to the legislature will be reduced. She has not
received word on the specific amount, but it is anticipated that the cuts may be across the board. Most
of CAHA’s funding comes from the Tourist Attraction Fund. If the Legislature cuts the agency’s
matching funds, our federal funding will be in jeopardy. Due to the uncertainty of next year’s funding,
the Director is working towards getting some things done this year to include the following:

Operational Upgrades
Grant Management Software
Director Leon Guerrero indicated that the requisition for the Grant Management Software has been
submitted to GSA and we are for their response. The website upgrade will include the crowd funding
platform.

Re-opening Guidelines
Director Leon Guerrero stated that in anticipation of moving into a new office/exhibit space or when
the Angela Flores building is habitable, Mr. Duenas has been tasked to establish re-opening guidelines
and standard operating procedures (SOPs) and is work in progress.

Personnel
Administrative Officer - Director Leon Guerrero stated that yesterday, August 3rd was Ms. Kloulubak
first day as CAHA’s Administrative Officer.

Program Officer I - Director Leon Guerrero remarked that 4 candidates were interviewed for the
Program Coordinator I positions. The candidate with the highest score was offered the job but turned
it down. CAHA is waiting on documentation from the Department of Administration’s Human
Resources Division to proceed and interview another candidate before making a selection.

Stage/Maintenance Technician – in progress

h. Programs
   a. FY 2021 Grant Program
      Director Leon Guerrero informed the Board that the deadline to submit grant applications for
CAHA FY 2021 Grant Cycle was 5:00 p.m., Friday, July 31, 2020. Applications and
supporting materials were submitted electronically to CAHA. Twenty-three (23) applications
were submitted on time by 5:00. For one applicant, Justin Green, CAHA only received his
resume. Justin Green called CAHA and informed staff that he has submitted his application
before the deadline. Two other applications came in at 5:01 p.m. Director Leon Guerrero
stated that this was the first time that the agency received the applications electronically. She
added that because of the new submission process there may have been some glitches.
Director Leon Guerrero requested the Board’s guidance as to whether the staff would abide
by the criteria to not review applications submitted after the 5:00 p.m. deadline and that those applications that came in at 5:01 p.m. would not be reviewed.

b. Arts Across America
As Director Leon Guerrero had reported at the last board meeting, CAHA received an invitation from the Kennedy Center for the Performing Arts in Washington D.C. to participate in a digital performance series called Arts across America. This program is intended to showcase artists and organizations across the United States and 6 jurisdictions including Guam during this unprecedented time. The goal of the event is to uplift and tell the story of their communities in the time of corona virus. Each participating state and jurisdiction is assigned 2 days to perform, 60 minutes per show. Initially the 60-minute performance was to have been a live set but with the time difference, it makes more sense in this case to pre-record the performances. Guam’s performance dates are September 17th and November 12. Due to time constraints, CAHA had to submit the names of the artisans that would be showcased on September 17th. Inetnon Gef Pago and Microchild will be featured in September. But for the November 12 performance, selection will be made via an audition process. CAHA will be doing a call soon for interested artisans to submit a short video (2-3 minutes performance). CAHA is collaborating with PBS Guam on the technical aspect of the project.

Director Leon Guerrero informed the members that Ms. Simone Bollinger has been appointed to the Board and is just waiting for her confirmation. Director Leon Guerrero indicated that she had nothing else to report. Vice Chairman Certeza thanked Director Leon Guerrero for her report.

Vice Chairman Certeza inquired about 2 points that the Director had mentioned in her report specifically regarding the FY 2021 grant applications and Board volunteers for the focus group session. He asked that these issues be addressed right away.

Director Leon Guerrero stated that regarding applicant Justin Green there may have been some technical problems. She inquired whether the Board was going to go by the 5:00 p.m. deadline or were they going to accept the two applications that were submitted at 5:01 pm? Vice Chairman Certeza asked how many applications came in after the deadline. Director Leon Guerrero responded 2. Mayor Gogue inquired what would be the total number of applications received if the 2 applications were included. She answered twenty-five (25). Mayor Gogue commented that the additional 2 applications to be reviewed would not make a difference and there was still enough time for the working groups to get through all of it.

Vice Chairman Certeza moved to accept the two applications received at 5:01 p.m., and to include Mr. Green. Motion seconded by Mr. Ronquillo.

UNANIMOUSLY APPROVED

Vice Chairman Certeza proceeded to the second item that Director Leon Guerrero requested, for two board members to volunteer for the literary arts and the youth focus groups, 1 board member per group. The Vice Chairman asked if any of the board members would be able to fulfill the Director’s need. Mr. Ronquillo inquired if these were in person working groups? Director Leon Guerrero replied no, sessions would be held via Zoom. Mr. Ronquillo volunteered for the Youth group and asked that the schedule be emailed to him. Director Leon Guerrero responded that the Youth focus group will be meeting at 3:00 p.m. on August 21st. Vice Chairman Certeza inquired about the Literary Arts/ Spoken Word focus group. Mr. Ronquillo volunteered to sit in on that group too.

Mr. Ronquillo suggested to Director Leon Guerrero that she work with the Guam Department of Education (GDOE) to inquire about CAHA utilizing the Southern High School Theater and its adjacent wing which would address CAHA office space and a permanent art facility for Guam. He added that Mayor Gogue is undergoing a project similar to the facility that was recently constructed in Sinajana. Mr. Reyes responded that he is currently working on an art curriculum for GDOE and that he is based down at Southern High School. He added the space that Mr. Ronquillo is referring to is amazing, they have classrooms, recording studios, offices, a 3 story tower which includes sub-offices and the auditorium, however, the air conditioning unit is broken and it will cost $500,000 to repair and
there are issues with the roof, but otherwise the everything inside is fairly new and the rest of the building is fine. As far as working with GDOE, they are open to partnering. Mr. Reyes commented that Senator Moylan was trying to get funds to cover the repairs. He suggested that, although it would be a major undertaking, CAHA should work with the Legislature to resolve the issue and appropriate funds for the repairs. Furthermore, businesses were reluctant to invest in this endeavor because it is a GovGuam facility. Presently, there is no solution and wasting away. The GDOE Superintendent is open to discussing options on how use the facility and partnering with different organizations. The theater is amazing and could be a revenue generating facility. Vice Chairman Certeza remarked that a different wing could be utilized for the gallery and workshop space. Mr. Ronquillo offered to make the arrangements to tour the facility.

4. FINANCIAL REPORTS

Vice Chairman Certeza commented that the Board has not received a financial report. Director Leon Guerrero responded that there are only slight changes on the financial report compared to last month.

a. Revolving Account

CAHA received a reimbursement of $1,200.00 from Cali Cakery for the reception for Mary Anne Carter, Chairwoman for the National Endowment for the Arts (NEA) which was cancelled; a payment of $149.90 for Zoom platform fees; and $50.00 to Sanford Technology for a router so that CAHA could hook-up our computers at the Library. Current Revolving Account Balance is $5,338.73

b. The FestPac account remains the same at $2,225.00.

c. Percent for the Arts Account

CAHA received $200,000 from TNN for the Tsubaki Towers which brings the current balance of that account to $912,856.00

Director Leon Guerrero mentioned that the budget from last month is basically the same which showed all the encumbered funds, therefore, there are no changes and with the new administrative officer onboard, we will be providing a more detailed report. With no questions from the Board, Vice Chairman Certeza moved on to the next item on the agenda.

5. OLD BUSINESS

a. Interest Bearing Bank Accounts:

Mrs. Krise stated that Mayor Gogue had provided all the details as to what may be needed to proceed to move the Percent for the Arts monies to an interest-bearing account. Mrs. Krise asked the Director if she was able to get an opinion from the Office of the Attorney General as to whether the monies could be placed in a credit union. Director Leon Guerrero stated that she attempted a couple times via telephone and email but was unsuccessful. She indicated that she would keep trying. Mrs. Krise asked Mayor Gogue that regarding TCDs do we have to use a bank that is FDIC insured. Mayor Gogue responded absolutely. The reason being is that they were able to quickly roll the money over because the revolving funds were already in the bank. They went out to solicit quotes for investment percentages and TCDs and seek out the bank with had the highest percentage offer. They did not contact Coast 360 because of the current verbiage of the law. They reached out to BOH, FHB, Bank Pacific and BOG. BOG had the highest TCD percentage compared to the other banks based on their financial investment portfolio.

Mrs. Krise commented that she needs to get the BOG point of contact from the Mayor because the information she received across the board was that is .10% regardless of whether it’s a checking, savings and TCD. Mayor Gogue responded that he will send the POC of BOG. He added that they opened the account 12 years ago. The competitiveness with other banks has changed over the years and the Mayor didn’t want to be moving the monies around to different banks every year just because the interest rates changed, but 12 years ago they were the highest at the time and maybe because they were an existing customer, that is the reason they’ve stuck with that bank for so long. Mrs. Krise stated that she could share that their rates are not as competitive as the other banks and could ask the other banks to match it, especially if we’re not going to get a response from the attorney.
Mayor Gogue indicated that the difference between a Credit Union and FDIC Bank is that a credit union is member-owned and a cooperative institution while BOG or most banks have stockholders. At that time, CAHA has a lot of money that needs to be invested in a bank right away and since we received the three quotes/responses from these institutions we have enough information to move forward and invest our monies. Anything is better than a savings account.

He stated that he keeps enough in their savings and checking account to pay for what the law guides them to do and that is 120% of their annual expense. To keep it that much between their savings and checking account, the balance they invested provides huge dividends to them where normally most mayors do not have that because they’re depending solely on the annual appropriation from the Legislature, unlike the Percent for the Arts; they get their money for the Guam Solid Waste Authority.

Mrs. Krise suggested to the Director that she seek out the Auditor’s advice but a legal opinion is still needed and although CAHA has accounts at Bank of Guam she expressed her concerns of losing $1,800 a year on interest for just letting the monies sit at .10 percent. Mr. Ronquillo stated that he already reached out to Attorney General, Mr. Leevin Camacho and waiting for his reply. The Director thanked him.

Vice Chairman Certeza reiterated that the pending issues relative to interest bank account are the opinion of the Office of the Attorney General and Mrs. Krise’s suggestion on getting an opinion from the Public Auditor. Mayor Gogue asked the Director whether CAHA’s Percent for the Arts account was a savings or checking account. Director asked Ms. Balbas to respond. Ms. Balbas answered that she believes that it’s a checking account.

Mayor Gogue stated that the whole point is that CAHA is not accruing interest in any of its accounts. There is no restriction from moving some of those monies from a checking account to a savings account at a minimum that does not need to be governed by a resolution or whatever because we already have a checking account with a banking institution. Moving some of those monies into a saving account is something we should be doing right away, as quickly as possible as an investment of those monies by putting them into TCD, which is actually guided by Title 21. The Mayor indicated that he provided the law regarding the investment of funds to the Director and Mrs. Krise. As far as the savings of those monies, we should not be keeping the whole amount strictly in a checking account. Mrs. Krise concurred and mentioned that she had spoken with a BOG employee and could not believe that they provide the same interest rate, .10%, regardless of whether it is a saving, checking or TCD, which the employee confirmed. Mrs. Krise went on to say that another issue is that we’re only protected up to $250,000, so we’re not really protected. She added that she doubts that Bank of Guam would roll over the money so we are protected for the full amount and with no set-up plan.

Mayor Gogue mentioned that how we’re protected is always an issue of concern and understands that we’re protected up to $250,000 based on FDIC or whatever the insurance is. The Mayor stated that there are 12 Board members, so each member has an interest in that account. He stated that he could not get clarification regarding if something were to happen to that account, each Board member could file a claim on the insurance company for the full amount; we are insured and that would be $250,000.00 x 12 (Members) because we are the keeper of the CAHA account (CAHA). Mrs. Krise went to say that regardless we’re still getting a very low interest rate and there are opportunities to get more money back to us; we just have to get some type of ruling from the AG’s Office. Mayor Gogue agreed. Mrs. Krise asked the Director if CAHA had a savings account. Director mentioned that it is a checking account and that she still does not have access to Bank. Hopefully, the Board will approve the resolution today to add her on as a bank signatory for CAHA. Mrs. Krise indicated that she didn’t know what needs to be done to open a savings account, but at CAHA should be putting at least $250,000 into a savings account right away to get whatever interest rate. This has been an ongoing discussion for several months now and there is approximately $913,000 in an account that is not accruing interest, therefore, the Council needs to do whatever it takes to put some money in an interest bearing account.
Director Leon Guerrero commented that she needs to go over the legislation but recalls being informed that she could not go and open an account and that there was a process. Mayor Gogue stated that the monies CAHA is responsible for falls under the Revolving Fund Legislation so there are certain entities allowed a revolving fund account. In fact, CAHA account was created through a resolution so to transfer funds from one account to another just requires a resolution. A resolution could be drafted stating that we’re going to keep a percentage, etc. The whole purpose of these revolving accounts means that once the money is received, the Legislature cannot touch it ever again and that it cannot be reprogrammed without legislation because it is not general fund money. The Mayor’s concern is that we invest these monies and when it matures it can be used, but at this point the Council needs to move some or all of these monies into a savings account. Vice Chairman Certeza mentioned that this calls for a resolution and Mayor Gogue stated that if the Board agrees, he can type up a resolution today. Mrs. Krise indicated that the Director does not have access to the account now so how is that going to affect her. Who has access to the account? Director Leon Guerrero replied Ms. Balbas. The Director stated that there is a Resolution the agenda that hopefully the Board could approve today that will give her access. The resolution has been drafted and was sent via drop box earlier. Some members claimed that they didn’t receive the resolution via drop box or are having problems. Dr. Flores remarked that she received the resolution after several attempts. A member suggested that on this resolution a line needed to be added authorizing the Director to open a savings account and to move money appropriately.

The Vice Chairman took a screenshot of the resolution and shared it with all the members via WhatsApp in case they couldn’t access drop box at this time. Mayor Gogue stated that the draft needs to be properly formatted. He indicated that if everybody is able to see and read the draft board resolution, he made a motion to adapt the general intent to include authorizing Director Leon Guerrero the authority to open up a savings account and to move an amount or percentage of the monies from the current account into an interest bearing savings account. The draft resolution could be modified to give the Director authority over the account and that was his motion pending.

Mayor Gogue formally moved to approve the Purpose Board Resolution 020 JGB DOC and that the Board adopt the intent of the Resolution and to include a clause giving the CAHA Executive Director the authority to open up interest bearing savings accounts and move all the Percent for the Arts monies into an interest bearing savings account. Motion seconded by Mrs. Krise.

Vice Chairman Certeza asked if there was any discussion. Mr. Ronquillo asked if the Director would be the sole signer. Mayor Gogue responded no. He stated that if you take a look at the law, the Board Chairman is the co-signer for all the expenditures, so Director Leon Guerrero or Ms. Balbas cannot transact without the Board Chairman. In fact, the account holder is actually the Board if you look at our enabling legislation we are a fiduciary board. Mr. Ronquillo inquired, for the sake of FDIC and the insurance, does the number of signers equate to the number of account holders that are covered under FDIC? How is it done with the Mayor’s Council? Mayor Gogue stated no, it doesn’t. It is the number of Council members that have an interest into this account so if any loss to this account or market crashes or something happens each member of the counsel with a fiduciary interest can make a claim against the bank. Mayor Gogue stated that he will verify everything while he works on the amended version of the resolution.

Vice Chairman Certeza asked whether there were any more questions or comments. There were none, so the Vice Chairman called for a vote on Mayor Gogue’s motion. All members voted in favor of the Mayor’s motion.

Unanimously Approved

Mayor Gogue indicated that he would work on the resolution and would forward it to all the Board members when it is completed and also with interest bearing account discussion awaiting the AG’s opinion. Mayor Gogue reiterated that it would give authorization to Director Leon Guerrero to open-up interest-bearing savings account, while we’re waiting for an investment or whether or not we are restricted only in the FDIC insured banking institutions. The question right now is does COAST 360 qualify. Although
they came in with highest rate for investing funds, Coast 360 is not an FDIC insured banking institution. NCUA may prohibit us from investing in a credit union.

b. Code of Conduct
   Vice Chairman Certeza shared a screen with the members. He informed the members that he’s been researching other organization and gathering ideas and notes from them to create a code of conduct for Guam. The purpose of this code is to build human connections, create capacity and nurture creativity with our CAHA artists where they can contribute to a prosperous and vibrant community and be positive role models. He stated that it is not necessarily a code but would be more of a pledge that CAHA artists would have to sign. The process of developing this code or pledge is ongoing. He added that a separate code of conduct would be developed for the Board and staff. For the governing board members there are responsibilities we have to uphold but nothing detailing the code of ethics.

c. 2021 Grant Panel Assignments
   Director Leon Guerrero shared a screen with the members. She stated that there are 7 panels. Mr. Zepeda has agreed to spearhead the Visual Arts Panel and Dr. Flores will be overseeing the Folk Arts Panel. Chairs and Co-Chairs are needed for the remaining 5 panels: Arts-in-Education, Media Arts, Performing Arts, Special Projects, and Underserved. Director Leon Guerrero stated that she is considering adding culinary arts as one of the focus groups and possibly a grant category. Mr. Ronquillo commented that this should be under special projects. Mayor Gogue asked what disciplines or categories would fall under Special Projects. Ms. Balbas responded that applications that are not specific to the other 6 disciplines are usually placed under special projects. Examples would be if an applicant wanted to publish a book, or conduct a survey in the villages of the number of art projects that are in within their jurisdiction or projects that are multi-disciplined.

   Mayor Gogue commented that culinary art is art on itself and should not be categorized as a special project. He moved that culinary arts be added as one of the categories. Vice Chairman Certeza suggested that culinary art be addressed for the next cycle. Dr. Flores commented that more time was needed to discuss special projects and Mayor Gogue agreed to withdraw his motion. Mayor Gogue added that a culinary arts program needs to be created and the art form needs to be cultivated.

Vice Chairman Certeza moved the discussion along and asked if any of the Board members to oversee the review panels for Arts-in-Education, Media Arts, Performing Arts, Special Projects, and Underserved. iii. Strategic Plan and Mission Statement
Director Leon Guerrero stated that the proposed mission statements were sent to all members. Vice-Chairman Certeza shared the screen for the (4) purposed mission statement for CAHA and stated that members can choose which of the four best suits CAHA. Vice Chairman Certeza gave the Board a few minutes to review the mission statements. Mayor Gogue commented that a Mission Statement is an expression to define “why we do what we do” and to get it done, we need funding to support artisans in their craft to make it their career. Mr. Reyes commented that identifying CAHA’s role is vital to the Arts & Humanities and should be reflected in mission statement and noted that he needs time before voting. He said more thought is needed and that we need to delve in deeper for a mission. What is CAHA’s role? How does art impact the community? Director Leon Guerrero responded that the statements do not speak to the humanistic aspect, but it does mention about CAHA’s mission to help the community. After a brief discussion it was agreed upon by the members that for the purpose of the focus groups, they would choose one of the proposed mission statements with the understanding that changes or amendments could be made in the future.

CAHA STRATEGIC PLANNING PROCESS

The Guam Council on the Arts and Humanities [CAHA] was created in 1982 when it was also recognized as the State Arts Agency for Guam. In 1985 it became a permanent agency of the government. In its 38-year history, it has provided quality arts and humanities programming for the residents of Guam through its various programs and activities. In 2011, the Government of Guam was re-organized and CAHA was consolidated into the Department of Chamorro Affairs. Then in June 2019, another re-organization of the Government of Guam, placed CAHA as separate line agency of the Government of Guam.

Since June, CAHA has not been able to acquire its own office space and gallery space. CAHA staff have moved 3 times and are now housed in an extra room in the public library with no telephones. The staff use folding chairs and tables for their workstations.

Early this year the COVID19 pandemic came to Guam. On 14 March the Governor placed the island in a state of emergency in response to the pandemic. On the 30 April the island was placed in Pandemic Condition of Readiness 1 [PCOR1]. The Governor ordered a lockdown of the island restricting resident’s movement and closing businesses. Only essential workers were allowed to work. PCOR2 was declared on 8 May loosening some restrictions. On 19 July PCOR3 was declared and allowed businesses and other activities to operate with moderate restrictions. On 16 August in response to a sharp increase in COVID19 cases Guam was placed in PCOR1 with even more restrictive measures. On 21 August the Governor issued a stay-at-home mandate due to the sharply increasing numbers and positivity rate of Guam’s people.

Since March of this year, CAHA staff have been forced to telework from home.

It is within this environment that CAHA has undertaken the strategic planning process.

The planning process includes several components: A review of the history and programming of the Council by staff members, an artist survey and a series of community focus groups and review by the staff and board of the results.

The methodology applied to the strategic planning process is the positive change method called the “Appreciative Inquiry” also known as AI. This method focuses on the strengths of the community to foster strategies that identifies the best of “what is” to pursue the possibilities of “what could be.”

AI was developed by David Coperrider and Surech Srivastva in the 1980s. The approach is based on the premise that “organizations change in the direction which they inquire.” Using this premise – if we look at problems, we will find problems. So, appreciating the positive in our community will reveal more and more of what is positive.

STAFF REVIEW OF HISTORY AND PROGRAMMING OF CAHA
The staff spent about 3 days reviewing the history of the Council and all programming that was conducted since the inception of the organization. They discussed how programs could be improved. The staff were very enthusiastic about the process. [Notes attached]

The Appreciative Inquiry method uses a 4-phase process:

The Discover phase – Each participant contributed what they thought was the best thing that CAHA had done in the past or they related the best experience they had in reference to CAHA. If they had no experience with CAHA they talked about the best arts, humanities or cultural experience they had.

The Dream phase – Each participant contributed their “dream” for arts & humanities and CAHA. They were encouraged to dream big with no restrictions on money/resources or time. [Focus group notes attached]

The Design phase – The participant’s contributions were compiled and common themes were identified. A small team made up of the Executive Director and the staff design ways of creating the organization that the participants dreamed about in the dream phase. This design is then presented to the board of directors for their input and approval.

Four common themes identified by the participants:

1. By far, the first and most often identified theme was that more arts & humanities resources were needed for the community to be able to learn, express, share and inspire residents as well as non-residents. The most common “dream” was for a state-of-the-art permanent home for CAHA that was centrally located and served as a hub for the arts & humanities – one place that served the entire community and the world – a place that included space for genres of the arts and a place that people could gather. The second resource identified was for CAHA to use technology and the Internet to provide services for their artists, clientele and the general community.

2. The second most common theme was for CAHA to provide more opportunities for people to connect, gather and network through the arts & humanities. Participants dreamed of a variety of exhibits and festivals, poetry groups, monthly artist gatherings, more highly visible arts shows/exhibits using diverse settings and that catered to the youth and underserved communities. The gathering of arts/humanities and cultural leaders to share ideas about how to bring the arts and culture to the forefront of the community – a think tank of community leaders. Increase art in public places – parks and beaches where residents can sit, enjoy and admire art.

3. The third most common theme was for CAHA to promote arts education through projects like STEAM [Science, Technology, Engineering, Arts and Math] and promote the development of arts curriculum starting at pre-K to high school to nurture and encourage young artists, develop curriculum for the literary arts, develop traveling exhibits to tour the schools, develop arts programs that promote a sense of place; self-identity; instill pride in one’s heritage and connects the generation’s. Hold a variety of workshops: creative writing,

4. The fourth common theme was for CAHA to provide easier access and more opportunities and programming for those in the underserved community especially the youth, persons with disabilities, at-risk populations and those in other underserved communities.

Executive Director’s Report
Meeting of the Board of Directors
3 p.m. 20 October 2020
Via Zoom

1. **ORGANIZATION:**
   a. **Bylaw Amendments/Revisions:** In reference to the two amendments I was working on:
      i. To formally allow virtual meetings and voting via video conference calls: An existing resolution [Attachment 1] exists that allows, “a member of the Board may attend and participate in a meeting of the Board by telephone conference or similar communications equipment which enables all persons participating in the meeting to speak and hear comments and votes of member councils who are physically present or using a telecommunication device, and such participation in a meeting shall constitute presence in person, at the meeting. A member attending a meeting electronically may vote telephonically.” I think that this covers the use of video conferencing as an acceptable means of meeting and voting.
      
      ii. To establish a signatory limit for staff on bank accounts. This will be addressed at this meeting.

1. **Code of Conduct and Code of Ethics:** Staff have received the Government of Guam Ethical Standards for Employees. A video conference meeting with staff is scheduled for next week. [Attachment 2]

2. **Strategic Planning:**
   o The Ad hoc committee met and reviewed and commented on the Strategic Plan. The committee met virtually and concurred with the draft plan. We are hoping that this plan will be formally approved at this meeting. Please remember that this is a living document. Once that is done, we will transmit to our community focus group participants and others to solicit their input into the specific activities for each objective. This will ensure that we have community input and collaboration in each specific area and that we ensure that the programs that are developed will be appropriate for the specific audience and participants.

**OPERATIONS:**

3. **Office space:**
   o We received two bids:
      Serena Building at $3.30 per sq. ft
      DNA building at $2.18 per sq. ft.
   o Government regulations state that if all bid specifications are met we must take the lowest bidder.
   o Mark and I visited the space and while it is not ideal, it is sufficient. The landlord said they will renovate it to our specifications.
   o We are currently awaiting confirmation of the bid selection which is pending the review of the AG.
   o After the bid is formally accepted, the landlord has 30 days to make the renovations.
   o I think that we will not be in the space until December and possibly January.

4. **Operational Upgrades**
   o **Website upgrade** including crowd funding platform is in progress and we hope to have it before the end of next month.
   o **Re-opening guidelines** – Guidelines attached. [Attachment 3]
   o **Standard Operating Procedures [SOPs]** – still in progress.
PROGRAMS:

CARES Act Emergency Relief Grant Program - As of Tuesday, 20 October we received 20 applications totaling $115,000.00. One application for $10,000.00 was rejected, one for $10,000.00 was withdrawn and three totaling $15,000.00 passed final review. The balance of the remaining is $80,000.00 [Attachment 5]

2021 Grant Program – 21 Grant applications were received. [Attachment 5]

Special Program: Arts Across America – Our dates changed due to the lockdown. Our new dates are: 12 November and 8 December 2020. Filming was scheduled for this past week.

Arts in public places [% for the Arts]:

- Received a call from UOG attorney Anthony Camacho regarding the Cultural Repository. He said the project includes funding for Percent for the Art and that they intend to follow the law. He believes that the buildup office is in error regarding the use of federal funds. They will use the funds for artwork on the exterior of the building.
- I have been working with the AGs office to figure out what is needed to finalize the rules and regulations. They have not been able to find anything that indicates that the 2013 Procedures and Guidelines for Art In Public Buildings and Buildings supported by Federal and Government of Guam funds in the Territory of Guam and the Percent for the Arts Enhancement Grant Program were ever reviewed or adjudicated as indicated on 03/13/2013. The rules and regulations were presented for review again in 2016 but were withdrawn for some reason. Jackie and I are prioritizing this as the AG indicated that until we have rules and regulations approved, we should not utilize the funds. They suggested that we develop basic rules and regulations as they felt that the documents that they have seen are very detailed and convoluted. Once the basic rules and regulations are approved then we can tweak them as we find areas that need revision. I would like to suggest in order to expedite this that Jackie and I revise the existing documents in consultation with the AGs office before submitting to the Board of Directors for review and revision if necessary.
- I have been in discussions with EPA regarding collaborating with the agency to bring sustainable art to public places such as beaches, parks and green areas in the village. Conchita Taitano is very excited about this collaboration. I believe that the funds that building owners in the percent for the arts program opt to give to CAHA can fund what I see as becoming an anchor program of CAHA: Art in Outdoor Public Places. We can revise the Percent for the Arts Enhancement Grant Program that already exists.

STEAM Workshop – I have also been in discussions with PREL regarding a workshop on STEAM for Educators. This is in line with our efforts to collaborate with other organizations.

§ 15202. Reporting of Gifts.

(a) Every employee shall file a gifts disclosure statement with the Guam Ethics Commission on June 30 of each year if all the following conditions are met:

(1) The employee, or spouse or dependent child of an employee, received directly or indirectly from any source any gift or gifts valued singly or in the aggregate from a single source in excess of $200, whether the gift is in the form of money, services, goods, or in any other form;

(7) Exchange of approximately equal value on holidays, birthday, or special occasions.

(e) Failure of an employee to file a gifts disclosure statement as required by this section shall be a violation of this chapter.

§ 15203. Confidential Information.

No employee shall disclose information which is considered a private document by existing law, and which the employee acquires in the course of official duties, or use the information for personal gain or for the benefit of someone else.

§ 15204. Fair Treatment.

No employee shall use or attempt to use an official position to secure or grant unwarranted privileges, exemptions, advantages, contracts, or treatment, for himself or herself, a spouse, children, or others, including but not limited to the following:

(a) seeking other employment or contract for services by the use or attempted use of the individual's office or position;

(c) using government time, equipment, or other facilities for private business purposes;

(d) soliciting, selling, or otherwise engaging in a financial transaction with a subordinate or a person or business whom the employee inspects or supervises in official capacity.

(e) Nothing herein shall be construed to prohibit a legislator from introducing bills and resolutions, serving on committees or making statements or taking action in the exercise of legislative functions. Every legislator shall file with the Guam Ethics Commission a full and complete public disclosure of the nature and extent of the legislator's interest on any legislative transaction which primarily affects only the legislator or legislators involved or their spouses and not the community as a whole or a segment thereof. Disclosure must be made at time of introduction of such legislation, or when the legislator shall first have knowledge of such legislation.

§ 15205. Conflicts of Interest.

(a) No employee shall take any official action directly affecting:

(1) business or other undertaking in which the employee has a financial interest; or

(2) private undertaking in which the employee is engaged as legal counsel, advisor, consultant, representative, or other agency capacity.
A department head who is unable to be disqualified on any matter described in item (1) or (2) of this Subsection may be in violation of this Subsection even if the individual has complied with the disclosure requirements of § 15208; and a person whose position on a board, commission or committee is mandated by statute, resolution or executive order to have particular qualifications shall only be prohibited from taking official action that directly and specifically affects a business or undertaking in which such person has a financial interest; provided that the financial interest is related to the member's particular qualifications.

(b) No employee shall acquire financial interests in any business or other undertaking which the employee has reason to believe may be directly involved in official action to be taken by the employee.

(c) No employee shall assist any person or business or act in a representative capacity before any territorial agency for any compensation in any transaction involving the Territory.

(d) No employee shall assist any person or business or act in a representative capacity for a fee or other compensation to secure passage of a bill or to obtain a contract, claim, or other transaction or proposal in which the employee has participated or will participate as an employee, nor shall the employee assist any person, or business, or act in a representative capacity for a fee or other compensation on such bill, contract, claim, or other transaction or proposal before the Legislature or territorial agency of which the individual is an employee.

(e) No employee shall assist any person or business or act in a representative capacity before a territorial agency for a fee or other compensation, on any bill, contract, claim, or other transaction or proposal involving official action by the agency if the employee has official authority over that agency unless such employee has complied with the disclosure requirements of § 15208.

(f) Nothing herein shall preclude an employee from having outside business interests or employment so long as such interests or employment do not interfere with performance of official duties and is not otherwise in direct conflict with this Chapter.

§ 15206. Contracts.

(a) A territorial agency shall not enter into any contract with an employee or with a business in which an employee has a controlling interest, unless the contract has been awarded through an open, public process. A territorial agency may, however, enter into such contract without resort to competitive bidding process when, in the opinion of the General Services Agency or the procurement officer of that branch of government, the property or services does not fall within the purview of competitive bidding; provided that written justification for the non-competitive award of such contract be made a matter of public record and shall be filed with the Guam Ethics Commission at least ten (10) days before such contract is entered into.

With regards to members of boards, commissions, and committees, this Subsection shall apply only to contracts entered into between a business in which a member has a controlling interest and a territorial agency in which the board, commission, or committee to which the individual is appointed has jurisdiction.

(b) A territorial agency shall not enter into a contract with any person or business which is represented or assisted in a material manner in the matter by a person who has been an employee of that agency within the preceding twelve (12) months and who participated while in
territorial office or employment in a material manner in the matter with which the contract is directly concerned.

§ 15207. Contracts Voidable.

In addition to any other penalty provided by law, any contract entered into by the Territory in violation of this Chapter, is voidable by the Territory; provided that in any act to void a contract pursuant to this Section, the interests of third parties who may be damaged thereby, shall be taken into account, and the action to void the transaction is initiated within ninety (90) days after the determination of a violation under this Chapter. The Attorney General shall have the authority to enforce this provision.

§ 15208. Requirements of Disclosure.

(a) All financial disclosure reports required to be filed with the Guam Election Commission pursuant to Chapter 13 of Title 4, Guam Code Annotated, shall be reported to the Guam Ethics Commission within three working days of filing with the Guam Election Commission.

(b) The Guam Election Commission shall require additional information on its financial disclosure reports, as may be requested by the Ethics Commission in accordance with this Section, and the Ethics Commission may request such information directly of the employee if it is not forthcoming from the Election Commission.

(c) Failure of an employee to file a disclosure of financial interests as required by this Chapter shall be a violation of this Chapter.

§ 15209. Disclosure Files; Disposition.

(a) All financial disclosure statements filed by an employee shall be maintained by the Guam Ethics Commission during the term of office of the employee, and for a period of three years thereafter. Upon the expiration of the three-year period, the financial disclosure statement and all copies thereof shall be destroyed.

(b) Nothing herein shall bar the Guam Ethics Commission from retaining a financial disclosure statement or copy of a financial disclosure statement that has become part of a charge case or advisory opinion request, or is part of an ongoing investigation.

(a) No former employee shall disclose any information which by law is not available to the public and which the employee acquired in the course of official duties or use the information for personal gain or the benefit of anyone.

(b) No former employee shall, within twelve (12) months after termination from employment, assist any person or business, or act in a representative capacity for a fee or other consideration, on matters involving official action by the particular territorial agency with which the employee had actually served.

(c) This Section shall prohibit any agency from contracting with a former employee to act on a matter on behalf of the Territory within the period of limitations stated herein, unless exempted by law.
§ 15211. Violation.

(a) Any territorial action obtained in violation of this chapter for employees is voidable in the same manner as voidable contracts as provided for under § 15207; and the Territory, by the Attorney General, may pursue all legal and equitable remedies available to it.

(b) The Territory, by the Attorney General, may recover any fee, compensation, gift, or profit received by such person as a result of a violation of these standards by an employee or former employee. Action to recover under the Subsection (b) shall be brought within two (2) years of such violation under this Chapter.

(2) It shall render advisory opinions upon the request of any employee or former employee as to whether the facts and circumstances of a particular case constitutes or will constitute a violation of the code of ethics. The opinion rendered, until amended or revoked, shall be binding on the Commission in any subsequent charges concerning the employee or former employee who sought the opinion and acted in reliance on it in good faith, unless material facts were omitted or misstated by the employee or former employee in the request for an advisory opinion.

(3) It shall initiate, receive and consider charges concerning alleged violations of this Chapter, initiate or make investigations, and hold hearings.

(4) It may subpoena witnesses, administer oaths, and take testimony relating to matters before the Commission and require the production for examination of any books, papers or electronic records relative to any matter under investigation or in question before the Commission. Before the Commission shall exercise any of the powers authorized herein with respect to any investigation or hearings, it shall by formal resolution, supported by a vote of five or more members of the Commission, define the nature and scope of its inquiry.

(5) It may, from time to time, make, amend, and repeal such rules and regulations, not inconsistent with this Chapter as in the opinion of the Commission, seem appropriate for the carrying out of this Chapter for the efficient administration thereof, including every matter or thing required to be done or which may be done with the approval or consent or by order or under the direction or supervision of or as prescribed by the Commission. The rules and regulations, shall be adopted in conformance with the Administrative Adjudication Law, and shall have the force and effect of law.

(6) It shall have jurisdiction for purposes of investigation and taking appropriate action on alleged violations of this Chapter in all proceedings commenced within three (3) years of
an alleged violation of this Chapter by an employee, or a former employee. Nothing herein shall bar proceedings against a person who by fraud or other device, prevents discovery of a violation of this Chapter. A proceeding shall be deemed commenced by the signing of a charge by five (5) or more members of the Commission.

(7) It shall distribute its publications without cost to the public and shall initiate and maintain programs with the purpose of educating the citizenry and employees on matters of ethics in government employment.

The Commission may investigate, after compliance with this Section, such charges and render an informal advisory opinion to the alleged violator. The Commission shall investigate all charges on a confidential basis, having available all the powers herein provided, and proceedings at this stage shall not be public. If the informal advisory opinion indicates a probable violation, the person charged shall request a formal opinion or within a reasonable time comply with the informal advisory opinion. If the person charged fails to comply with such informal advisory opinion or if a majority of the members of the Commission determine that there is a probable cause for belief that a violation of this Chapter might have occurred, a copy of the charge and a further statement of the alleged violation shall be personally served upon the alleged violator in accordance with the rules for personal service found in Guam Rules of Civil Procedure. The person so charged shall have twenty (20) days after service thereof to respond in writing to the charge and statement.

(c) Any Commission member or any individual, including the individual making the charge, who without permission of the Commission, divulges information obtained from the Commission or who reveals confidential actions of or what happened in closed proceedings before the Commission concerning the charge prior to the issuance of the complaint or other final action by the Commission, except as permitted by this Chapter, shall be guilty of a misdemeanor.

All parties shall have an opportunity (1) to be heard, (2) to subpoena witnesses and require the production of any books, papers, records, or electronic recordings relative to the proceedings, (3) to be represented by counsel, and (4) to have the right of cross-examination. All witnesses shall testify under oath and the hearings shall be closed to the public unless the party complained against requests an open hearing. The Commission shall not be bound by the strict rules of evidence but the Commission's findings must be based upon competent and substantial evidence. All testimony and other evidence taken at the hearing shall be recorded. Copies of transcripts of such record shall be available only to the complainant and the alleged violator at their own expense, and the fees therefor shall be deposited into the General Fund.

(e) The Commission shall make its findings and render its decision based on a preponderance of the evidence. A decision of the Commission pertaining to the conduct of any
employee shall be in writing and signed by five (5) or more of the members of the Commission. Deliberations of the Commission shall be closed to the public and to all parties.

(f) The Commission shall cause to be published yearly summaries of decisions, advisory opinions, and informal advisory opinions. The Commission shall make sufficient deletions in the summaries to prevent disclosing the identity of persons involved in the decisions or opinions.

(b) Whoever is convicted in a court of competent jurisdiction of the crime of perjury under this section, in addition to any other punishment prescribed by law thereof, shall be required by court order to reimburse the person against whom the false charge was filed for all of the person's legal expenses and court costs incurred in relation to that person's defense against the false complaint.

(c) If such charge is filed within six months prior to an election in which the accused's name appears on the ballot, the person filing the false complaint shall pay to the accused the amount set out above, and shall also pay an equal amount to the general fund of the Territory.

(d) This section shall not supersede or preclude any other right or remedy at law available to the person falsely accused.

§ 15403. Procedure.

(a) When the Commission, after due hearings, believes that there is cause for the possible filing of criminal charges, it shall refer the complaint to the Attorney General's Office or appropriate authority for its disposition.

(b) With respect to former employees, the Commission may, with the consent of five (5) or more members of the Commission, issue a public statement of its findings and conclusions, and the Attorney General may exercise whatever legal or equitable remedies are available to the Territory.

(c) When after due hearing, the Commission finds that the violation committed by an employee is non-criminal in nature, the Commission will remand the case to the agency where the employee is employed with the recommendation that the agency impose the corresponding punishment in accordance with the agency's personnel rules and regulations.

§ 15404. Disciplinary Action for Violation.

In addition to any other powers the Civil Service Commission or other government agency may have to discipline employees, the appropriate agency involved may reprimand, put on probation, demote, suspend, or discharge any employee found to have violated this Chapter.

§ 15405. Cooperation.

The Guam Ethics Commission may request and shall receive from every governmental agency cooperation and assistance in the performance of its duties.

§ 15406. Concurrent Jurisdiction.
In addition to any provision contained in this Chapter, the Legislature and the Judicial Branch may each prescribe further rules of conduct covering its members and may investigate and discipline its employees for any violation of this Chapter, or its own Rules, or both.

§ 15407. Staff.
The Guam Ethics Commission may employ such persons as it deems necessary for the performance of its functions. They shall submit an annual budget request to the Legislature for its required operations.

The Guam Ethics Commission (“Commission”) may grant permission for an elected official to attend a later program for good cause shown. The Commission shall award a certificate of completion to those completing the program.

(b) Any person who is appointed to a position as board or commission member, including autonomous agencies, director, deputy director, or by whatever title denotes the head and first assistant of a government agency, department, public corporation, authority, or any other entity of the executive branch, shall attend an ethics in government program within the first six (6) months of his or her appointment. The providers shall repeat the course as necessary to accommodate those who are required to attend. The course shall not exceed four (4) hours and shall be available in a single day and its scheduling shall accommodate the different work schedules of the persons affected by this Act.

(a) The program topics shall include, but not be limited to:

PART B
STANDARDS OF CONDUCT

§ 5625. Statement of Policy.
Public employment is a public trust. It is the policy of the Territory to promote and balance the objective of protecting government integrity and the objective of facilitating the recruitment and retention of personnel needed by the Territory. Such policy is implemented by prescribing essential standards of ethical conduct without creating unnecessary obstacles to entering public service.

Public employees must discharge their duties impartially so as to assure fair competitive access to governmental procurement by responsible contractors. Moreover, they should conduct themselves in such a manner as to foster public confidence in the integrity of the territorial procurement organization.

To achieve the purpose of this Chapter, it is essential that those doing business with the Territory also observe the ethical standards prescribed herein.

§ 5626. General Standards of Ethical Conduct.
(a) General Ethical Standards for Employees. Any attempt to realize personal gain through public employment by conduct inconsistent with the proper discharge of the employee’s duties is a breach of a public trust.

In order to fulfill this general prescribed standard, employees must also meet the specific standards set forth in §§ 5628 through 5633 of this Chapter.

(b) General Ethical Standards for Non-Employees. Any effort to influence any public employee to breach the standards of ethical conduct set forth in this Section and §§ 5628 through 5633 of this Chapter is also a breach of ethical standards.

§ 5627. Criminal Sanctions.
To the extent that violations of the ethical standards of conduct set forth in this Article constitute violations of Title 9 of the Guam Code Annotated (Crimes and Corrections), they shall be punishable as provided therein. Such sanctions shall be in addition to the civil remedies set forth in this Chapter.
§ 5628. Employee Conflict of Interest.

(a) Conflict of Interest. It shall be a breach of ethical standards for any employee to participate directly or indirectly in a procurement when the employee knows that:

(1) the employee or any member of the employee’s immediate family has a financial interest pertaining to the procurement;

(2) a business or organization in which the employee, or any member of the employee’s immediate family, has a financial interest pertaining to the procurement; or

(3) any other person, business or organization with whom the employee or any member of the employee’s immediate family is negotiating or has an arrangement concerning prospective employment is involved in the procurement.

(b) Financial Interest in a Blind Trust. Where an employee or any member of the employee’s immediate family holds a financial interest in a blind trust, the employee shall not be deemed to have a conflict of interest with regard to matters pertaining to that financial interest, provided that disclosure of the existence of the blind trust has been made to the Civil Service Commission.

(c) Discovery of Actual or Potential Conflict of Interest, Disqualification, and Waiver. Upon discovery of an actual or potential conflict of interest, an employee shall promptly file a written statement of disqualification and shall withdraw from further participation in the transaction involved. The employee may, at the same time, apply to the Civil Service Commission in accordance with § 5676(c) of this Chapter for an advisory opinion as to what further participation, if any, the employee may have in the transaction.

(d) Notice. Notice of this prohibition shall be provided in accordance with regulations promulgated by the Civil Service Commission.

SOURCE: GC § 6980.3. MPC § 12-203 modified to refer to appropriate portions of Guam law.

§ 5629. Employee Disclosure Requirements.

(a) Disclosure of Benefit Received from Contract. Any employee who has, or obtains any benefit from, any territorial contract with a business in which the employee has a financial interest shall report such benefit to the Civil Service Commission; provided, however, that this Section shall not apply to a contract with a business where the employee’s interest in the business has been placed in a disclosed blind trust.

(b) Failure to Disclose Benefit Received. Any employee who knows or should have known of such benefit, and fails to report such benefit to the Civil Service Commission is in breach of the ethical standards of this Section.

(c) Notice. Notice of this requirement shall be provided in accordance with regulations promulgated by the Civil Service Commission.

SOURCE: GC § 6980.4. MPC § 12-204 modified.

COMMENT: Modification is to refer employees to the Civil Service Commission for opinions on conflicts of interest, since this Chapter does not create a separate Ethics Commission, but continues the general supervision of employment matters with the Civil Service Commission and gives the Policy Office responsibility for opinions requested by non-employees. Change by Committee on GGO.

§ 5630. Gratuities and Kickbacks.
(a) Gratuities. It shall be a breach of ethical standards for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract; or to any solicitation or proposal therefor.

(b) Kickbacks. It shall be a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

(c) Contract Clause. The prohibition against gratuities, kickbacks and favors to the Territory prescribed in this Section shall be conspicuously set forth in every contract and solicitation therefor.

§ 5631. Prohibition Against Contingent Fees.

(a) Contingent Fees. It shall be a breach of ethical standards for a person to be retained, or to retain a person, to solicit or secure a territorial contract upon an agreement or under standing for a commission, percentage, brokerage or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies for the purpose of securing business.

(b) Representation of Contractor. Every person, before being awarded a territorial contract, shall represent, in writing, that such person has not retained anyone in violation of Subsection (a) of this Section. Failure to do so constitutes a breach of ethical standards.

(c) Contract Clause. The representation prescribed in Subsection (b) of this Section shall be conspicuously set forth in every contract and solicitation therefor.

SOURCE: GC § 6980.7. MPC § 12-207.

(a) Contemporaneous Employment Prohibited. Except as may be permitted by regulations pursuant to this Chapter or pursuant to Title 4 GCA, or rulings of the Civil Service Commission pursuant to this Chapter, it shall be a breach of ethical standards for any employee who is participating directly or indirectly in the procurement process to become or be, while such an employee, the employee of any person contracting with the governmental body by whom the employee is employed. Notice of this provision shall be provided in accordance with regulations promulgated by the Civil Service Commission.

(b) Restrictions on Former Employees in Matters Connected with Their Former Duties.

(1) Permanent Disqualification of Former Employee Personally Involved in a Particular Matter. It shall be a breach of ethical standards for any former employee knowingly to act as a principal, or as an agent for anyone other than the Territory, in connection with any:

   (i) judicial or other proceeding, application, request for a ruling, or other determination;
   (ii) contract;
   (iii) claim; or
   (iv) charge or controversy;

in which the employee participated personally and substantially through decision, approval, disapproval, recommendation, rendering of advice, investigation, or otherwise while an employee, where the Territory is a party or has a direct and substantial interest.

(2) One Year Representation Restriction Regarding Matters for Which a Former Employee Was Officially Responsible. It shall be a breach of ethical standards for any former employee, within one (1) year after cessation of the former employee’s official responsibility, knowingly to act as a principal, or as an agent for anyone other than the Territory, in connection with any:

   (i) judicial or other proceeding, application, request for a ruling or other determination;
   (ii) contract;
   (iii) claim; or
   (iv) charge or controversy; in matters which were within the former employee’s official responsibility, where the Territory is a party or has a direct or substantial interest.

(c) Disqualification of Business When an Employee Has a Financial Interest. It shall be a breach of ethical standards for a business in which an employee has a financial interest knowingly to act as a principal, or as an agent for anyone other than the Territory, in connection with any:

   (1) judicial or other proceeding, application, request for a ruling or other determination;
   (2) contract;
   (3) claim; or
   (4) charge or controversy;
in which the employee either participates personally and substantially through decision, approval, disapproval, recommendation, the rendering of advice, investigation or otherwise, or which is the subject of the employee’s official responsibility, where the Territory is a party or has a direct and substantial interest.

(d) Selling to the Territory After Termination of Employment is Prohibited. It shall be a breach of ethical standards for any former employee, unless the former employee’s last annual salary did not exceed Twelve Thousand Dollars ($12,000.00), to engage in selling or attempting to sell supplies, services other than personal services, or construction to the Territory for ninety (90) days following the date employment ceased.

The term sell as used herein means signing a bid, proposal, or contract; negotiating a contract, contracting any employee for the purpose of obtaining, negotiating or discussing changes in specifications, price, cost allowances or other terms of a contract; settling disputes concerning performance of a contract; or any other liaison activity with a view toward the ultimate consummation of a sale although the actual contract therefor is subsequently negotiated by another person; provided, however, that this Section is not intended to preclude a former employee from accepting employment with private industry solely because the former employee’s employer is a contractor with this Territory, nor shall a former employee be precluded from serving as a consultant to this Territory.

PART C
REMEDIES

§ 5650. Civil & Administrative Remedies Against Employees Who Breach Ethical Standards.
§ 5651. Civil and Administrative Remedies Against Non-Employees Who Breach Ethical Standards.
§ 5652. Recovery of Value Transferred or Received in Breach of Ethical Standards.

§ 5650. Civil and Administrative Remedies Against Employees Who Breach Ethical Standards.

(a) Existing Remedies Not Impaired. Civil and administrative remedies against employees which are in existence on the effective date of this Chapter shall not be impaired.

(b) Supplemental Remedies. In addition to existing remedies for breach of the ethical standards of this Chapter or regulations promulgated hereunder, the Civil Service Commissions may, in connection with employees of the government of Guam, direct the appointing authority to issue any one or more of the following:
(1) oral or written warnings or reprimands;

(2) suspension with or without pay for specified periods of time; and

(3) termination of employment;

but the Civil Service Commission members who made such recommendation shall not sit upon any appeal from the resulting adverse action and the Governor shall appoint members pro tempore, without the consent of the Legislature, to hear such appeals.

(c) Right to Recover from Employee Value Received in Breach of Ethical Standards. The value of anything received by an employee in breach of the ethical standards of this Chapter or regulations promulgated hereunder shall be recoverable by the Territory as provided in § 5652 of this Chapter.

(d) Due Process. All procedures under this Section shall be in accordance with existing law and regulations regarding adverse actions and employee discipline promulgated pursuant to Title 4 Guam Code Annotated.

SOURCE: GC § 6981. MPC § 12-301 modified.

COMMENT: Since Guam has an established Civil Service Commission strengthened by P.L. 16-23, this system is continued. Just as the Civil Service Commission is not intended to be the body making actual decisions as to an employee’s discipline, so this Section gives the CSC the power to require the appointing authority to take certain action, conforming to the appointing authority’s powers in other matters dealing with employees. Since, under existing law, an employee can appeal such a decision, the CSC is authorized to hear the appeal, but with members, either permanent or temporary, who did not participate in the original decision. There is no constitutional problem with having the staff of the Commission present the case to both the first Commission hearing (where it makes the binding recommendation) and to the second where the appeal is heard. Change by Committee on GGO.

§ 5651. Civil and Administrative Remedies Against Non-Employees Who Breach Ethical Standards.

(a) Existing Remedies Not Impaired. Civil and administrative remedies against non-employees which are in existence on the effective date of this Chapter shall not be impaired.

(b) Supplemental Remedies. In addition to existing remedies for breach of the ethical standards of this Chapter or regulations promulgated hereunder, the Procurement Policy Office, in connection with non-employees, may impose any one or more of the following:

(1) written warnings or reprimands;

(2) termination of transactions; and

(3) debarment or suspension from being a contractor or subcontractor under territorial contracts.

(c) Right to Recover from Non-Employee Value Transferred in Breach of Ethical Standards. The value of anything transferred in breach of the ethical standards of this Chapter or regulations promulgated hereunder by a non-employee shall be recoverable by the Territory as provided in § 5652 of this Chapter.

(d) Right of the Territory to Debar or Suspend. Debarment or suspension may be imposed by the Procurement Policy Office in accordance with the procedures set forth in § 5426 of this
Chapter for breach of the ethical standards of this Chapter, provided that such action may not be taken without the concurrence of the Attorney General.

(e) Due Process. All procedures under this Section shall be in accordance with the Administrative Adjudication Law.

**SOURCE:** GC § 6981.1. MPC § 12-302 modified.

**COMMENT:** The modifications are that (a) the Policy Office acts as the Ethics Commission with respect to non-employees, in order to avoid the creation of yet another commission and (b) that procedures are to be under the Administrative Adjudication Law rather than some undefined and variable "due process" requirement. Change by Committee on GGO.

§ 5652. Recovery of Value Transferred or Received in Breach of Ethical Standards.

(a) General Provisions. The value of anything transferred or received in breach of the ethical standards of this Chapter or regulations promulgated hereunder by an employee or a non-employee may be recovered from both the employee and non-employee.

(b) Recovery of Kickbacks by the Territory. Upon a showing that a subcontractor made a kickback to a prime contractor or a higher tier subcontractor in connection with the award of a subcontract or order thereunder, it shall be conclusively presumed that the amount thereof was included in the price of the subcontract or order and ultimately borne by the Territory and will be recoverable hereunder from the recipient. In addition, said value may also be recovered from the subcontractor making such kickbacks. Recovery from one offending party shall not preclude recovery from other offending parties.

SOURCE: GC § 6982.2. MPC § 12-402 modified.

COMMENT: Modification reflects the split in Ethics Commission responsibilities between the Policy Office and Civil Service Commission. Change by Committee on GGO.

5 GCA § 10112. Penalties for Nondisclosure.

Dollars ($1,000.00). The fine shall be a personal expense for the responsible official and in no way shall the fine be paid by the agency or the government of Guam.

(b) There is created the Government Ethics Fund to assist the Guam Ethics Commission in ensuring ethical conduct in the government of Guam. This fund shall not be commingled with the General fund and shall be kept in a separate bank account. Any fines collected under Subsection (a) of this Section shall be deposited in the Government Ethics Fund, are appropriated to the Guam Ethics Commission for ethical investigations, audits and analyses of financial disclosure forms. This appropriation is continuous, contingent on the annual submission of a detailed budget to I Liheslaturan Guåhan, not withstanding any other provision of law.

(c) Any officer or employee who acts arbitrarily or capriciously in withholding a public record from a requesting person shall be guilty of a misdemeanor.

(d) The Court shall award court costs and reasonable attorney fees to the plaintiff should the plaintiff prevail after initial filing of the complaint pursuant to this Section. The costs and fees shall be paid by the public agency of which the public official is a member or employee and shall not become a personal liability of the public official. If the Court finds that the plaintiff=s case is clearly frivolous, it shall award court costs and reasonable attorney fees to the public agency.

5 GCA § 43112. Conflict of Interest of Members.

(For the law governing employment in or contracting with the agency or instrumentality of a former member of its governing board, see 4 GCA § 2104.)

5 GCA § 43116. Development of the Boards and Commissions Training Program.

The University of Guam shall, within six (6) months of the receipt of funding for this Section, develop a training program for members of government of Guam boards and commissions. NOTE: Pursuant to P.L. 28-076:9 (Nov. 25, 2005), this section will be repealed effective January 1, 2007.

5 GCA § 43117. Boards and Commissions Training.

The University of Guam shall, beginning with calendar year 1999, conduct a training program for members of government of Guam boards and commissions developed under the provisions of § 43116 of this Chapter. Such training program shall be conducted at least twice per year. If there are fewer than five (5) board members who wish to take a scheduled course, the two-year requirement may be waived. The cost of tuition for such training shall be the responsibility of the agency whose board or commission, the member serves on.

SOURCE: Added by P.L. 24-191:3.

NOTE: Pursuant to P.L. 28-076:9 (Nov. 25, 2005), this section will be repealed effective January 1, 2007.

7 GCA § 5105. Procedure for Considering Removal.

(a) Any charges against any Justice or Judge must be in writing, signed by the person making the charge under oath, except that any charge initiated by the subcommittee must be signed by at least two (2) members of the subcommittee. The subcommittee shall notify in
writing every Justice or Judge against whom a charge is received and afford the Justice or Judge an opportunity to explain the charge. The subcommittee shall investigate all charges on a confidential basis, having available all the powers herein provided, and the proceedings shall not be public. If a majority of the members of the subcommittee determine that there is probable cause for belief that a Justice or Judge appears to be so incapacitated as substantially to prevent the Justice or Judge from performing judicial duties or has acted in a manner that constitutes willful misconduct in office, willful and persistent failure to perform judicial duties, habitual intemperance, or conduct so prejudicial to the administration of justice that brings the judicial office into disrepute, the subcommittee shall certify its findings to the Chief Justice of the Supreme Court, or to the most senior Associate Justice of the Supreme Court if the Chief Justice is the subject of the charges, within thirty (30) days after such determination.

(b) Any Council member or individual, including the individual making the charge, who divulges information concerning the charge prior to the certification of the charge by the subcommittee to the Chief Justice of the Supreme Court, or if the investigation discloses that the certification should not be issued by the subcommittee, any Council member or individual who divulges at any time any information concerning the original charge or divulges the contents or discloses any matter except as permitted by this Title, shall be guilty of a misdemeanor.

(c) In the event that the subcommittee determines that a Judge or Justice should be removed from office, the Attorney General shall present the case to the Supreme Court pursuant to the provisions of § 5107, infra.

1985 COMMENT: Basically follows prior law, but specifies that the Attorney General act as prosecutor. This function would be similar to the Attorney General's role before a Grand Jury, except that the Commission, working with him, makes the actual decision to bring or continue charges. The Attorney General could also prefer charges to the Commission. There would be no conflict, since it is he who determines what to bring before Grand Juries, and then prosecutes. This is a better method than that used by the Bar Ethics Committee, since the Attorney General has the personnel and mechanisms for investigations and prosecutions already in place.

COMMENT: The 1992 Act does not involve the Attorney General as prosecutor until after the Council has determined that the case must be taken to the Supreme Court.

7 GCA § 42309. Ethical and Training Standards for Neutrals.

(a) Where the place of the arbitration is in Guam, a person serving as an arbitrator shall comply with the ethics and training standards for neutrals adopted by the Supreme Court of Guam pursuant to this Section. The Supreme Court of Guam shall adopt ethical and training standards for all neutral arbitrators and mediators.

Subsection (a) does not apply to an arbitration conducted pursuant to the terms of a public or private sector collective bargaining agreement.

10 GCA §121303. Exceptions to licensure.

(a) No person may practice individual, marriage or family therapy on Guam who is not licensed as an individual, marriage or family therapist by the Board, unless such practice is
approved by other licenses issued by another licensing board. However, this Article shall not be construed to prohibit:

(2) an individual, marriage and family therapist regularly licensed in another state of the U.S. consulting with a licensed individual, marriage and family therapist on Guam;
(3) a person who is a regular student in individual, marriage or family therapy-related fields performing duties or actions as assigned by his instructors, or who is working under the supervision of a licensed, individual, marriage and family therapist.

(b) Nothing in these rules and regulations shall be construed to prevent qualified members of other professional groups, such as clinical psychology, school psychology, counseling psychology, social work or ordained clergy from doing work of a counseling nature consistent with their training and consistent with any code of ethics of their respective professions; provided, however, that they do not hold themselves out to the public by any of the following titles:

(1) individual therapist;
(2) counselor;
(3) marriage therapist;
(4) family therapist;
(5) psychtherapist; or
(6) any combination thereof.

(16) privatization of GPSS services or operations must be authorized by the Board and executed by:

(a) directing the Superintendent of Education to issue a Request for Proposal (RFP) or an Invitation for Bid (IFB) for the privatization of services within the Guam Public School System and implementing the privatization of services within the budgeted allocation level approved by the Board;

(b) the issuance of an RFP or an IFB and the award thereof shall be in conformance with all applicable procurement laws and regulations of Guam; and

(d) For all Guam Public School System privatized food services, cafeterias, or cafeteria services, contractors operating GPSS cafeterias and food services shall comply with 5GCA 5001(c) and Chapter 68 of Title 5, Guam Code Annotated, relative to the procurement of local products, in place and stead of the Guam Public School System. The Guam Public School System shall require compliance with these provisions as part of its contracts for privatization subsequent to the enactment of this Subsection.

(b) The Board shall not collectively or individually:

(1) exert influence in the hiring, transfer, discipline or termination of any employee of the GPSS, unless expressly authorized by public law;
(2) interfere in or micro-manage the affairs of the GPSS or school within the GPSS; or

(3) involve itself with student discipline cases, unless expressly authorized by public law, and only to the extent authorized by public law.

Any Board member shall report to I Liheslaturan Guåhan [Legislature] any potential or alleged violation of this Subsection (b).

### 21 GCA § 63105. Conflict of Interest.

(a) No member of the Commission or employee of the Commission shall participate, in any official capacity whatsoever, in any proceeding, hearing, application, request for ruling or other official determination, judicial or otherwise, in which any of the following has a financial interests; the member or employee himself; his spouse, his child; his partner; any organization in which he is then serving or has, within two (2) years prior to his selection or appointment to or employment by the Commission, served in the capacity of officer, director, trustee, partner, employer or employee; any organization within which he is negotiating for or has any arrangement or understanding concerning prospective partnership or employment.

Hafa adai Frank,

I would like to request for an extension for my FY2020 grant project until November 2021 due to Covid-19. My initial project which had a Festpacs 2020 theme will now be changed due to the cancellation of the event. As of now I'm only in the beginning stages of my new intended project which will be completed towards the end of next year. Should you have any questions please give me a call at 727-2978 or 787-8692, Si Yuus Maasai.

Sincerely,
Frank Matanane

to me

Mark-

Per our conversation this morning I am formally requesting an extension to my Fellowship until November 2020 so that I can complete my exhibit as planned in October.

I have confirmed with Ric Castro for an October showing.

1. A brief narrative of what has been completed so far As you already have my final report submitted in April, I see no need to provide a brief narrative
2. Reason for request The request to extend is based on your recommendations
3. The revised scope of work No revisions, as I have completed the scope of work. The only change is that I will have an exhibit.
4. Revised budget No change to the budget, as my budget was based solely on time spent creating the work. All other expenses were contributions in kind. This will now include the expense of the exhibit. If you would like me to add in these expenses, then I will have to revise my budget after the exhibit
5. The new deadline for completion of the project Following completion of the exhibit which is now scheduled for October. However, since no one knows what will happen during the pandemic crisis, I cannot guarantee that the October exhibit will most certainly happen.

Dawn Reyes
Hi Mark,

I have recently learned that the extension requested was granted and extends my fellowship completion deadline to November 2020. This extension was deemed necessary due to the following statement in my grant proposal:

"Once the collection is completed, all will be on public display for a minimum of one month, planned for October 2020. Those pieces completed by March will be in the Annual Women’s Art Show at Nissan."

As you are aware, the Annual Women’s Art Show, which was planned for April 2020, was cancelled due to the island-wide pandemic closures. I had fully intended to have an exhibit at Castro Gallery in the Tumon Sands Shopping Center in October, but that too, was postponed, due to a second wave of closures. Although we currently plan to open an exhibit in early November, I cannot guarantee that the Governor will not shut down the island again. I have a virtual exhibit that is nearly ready to post. However, out of fairness to Ric Castro, who is supporting this exhibit when there is virtually no other place to have an exhibit, I do not want to post a virtual exhibit until the exhibit opens or until I am certain that there will be no physical exhibit at Castro Gallery. Should the November exhibit be cancelled, I will provide a copy of the virtual exhibit to CAHA.

With regard to the requirements of my fellowship I stated in my proposal that I would complete 8 abstract paintings based on what I learned from my self-study of 20th century western artists, in particular those who either influenced abstraction or worked abstractly themselves. I completed 16 paintings- well beyond the requirement.

With this information provided, I respectfully request that CAHA consider a revision of my grant proposal to eliminate the exhibit requirements, and consider all requirements fulfilled. I had every intention of doing everything as stated, but unfortunately the current circumstances make it nearly impossible to keep those promises.

Assuming the exhibit opens at Castro Gallery from November 7 to 28, 2020 as currently planned, CAHA will be recognized as the supporting organization for the work I completed, as required. This recognition will also be on the virtual exhibit, as required.

I have already submitted my final report and supporting documents. I've attached to this email a PDF of the work I completed that will be on display and/or uploaded as a virtual exhibit.

Appreciate your consideration in this matter.

II. PROJECT DESCRIPTION: Describe as briefly as possible the proposed Fellowship project and its purpose. What do you plan to do? When? Where? How is project to be accomplished? How are non-matching Fellowship funds to be spent and what are anticipated professional or creative results of project?

For much of my art career, I have celebrated the beauty of Guam from a story telling and historical perspective. Although much remains to celebrate using this approach, I have reached a point in my career where I would like to explore a new perspective. I want to do a series that focuses on the beauty of Guam from a more intimate and abstracted view. For the project year I want to spend time noticing and appreciating the way water sculpts the sand, the various colors and shapes of Guam dirt, the way tree bark changes color and splits with age, the way calm water reflects its surroundings, the way roots push through the soil and sit quietly with tree droppings, the impact of salt on vegetation, how an insect sculpts a plant, the wet gooiness of a footprint in mud, the vulnerable quality of sea weeds at low tide, the interaction between soft and hard animals in the ocean. I want to represent this exploration through various media that I have years of experience working with, such as acrylics, silk paint, pastels, pencil, collage. I propose to complete a minimum of 8 works not smaller than 24 by 30 inches. All works will be completed by me in my studio in Inarajan. Although I have experience with abstraction, I have never made it a goal to complete a series with an emphasis on abstracted images. I believe that working in this manner, and with a concentrated effort to view Guam’s beauty more intimately, will be an important self-study effort that will help me reach a new level of professional experience and significantly add to the body of work on island that represents Guam’s natural beauty.

In preparation for this project, I am revisiting various artists and genres that have influenced me in the past. My review includes but is not limited to Aboriginal art for its connection to the earth and pattern-making qualities, Indian meditational pieces (mandalas) for a perspective on a point of focus, Mexican abstract artists (especially Castro Pacheco and Rufino Tamayo) for the solid forms and earthy colors, Claude Monet for the way light is painted into subject matter, Wassily Kandinsky for the lyrical way shapes are presented in composition, and Andy Goldsworthy who uses small natural items repetitively to present new and surprising ways of seeing nature. Although these teachers have not done the same kind of compositional work I plan to do, their approach and techniques have much to offer when revisited with fresh eyes and a desire to learn something new. Contemporary abstract and nature artists are also of interest, which includes images that can be found on the internet, but more importantly, I have made plans to attend the Festival in the Pacific in Hawaii in June 2020 for inspiration and additional learning opportunities.

Once the collection is completed, all will be on public display for a minimum of one month, planned for October 2020. Those pieces completed by March will be in the Annual Women’s Art Show at Nissan. I intend to use fellowship funds to supplement the time I will need to complete the project as planned. Experience tells me that I will need 4 to 6 weeks to complete each piece, which may require that I take some time away from my current employment. I currently have supplies, frames and supports on hand that are valued at over $3500.00. Although there is no requirement for applicant cash, I have resources available to me should additional supplies be required.

BIOGRAPHY:
I am a native Californian born and raised in Walnut Creek, east of San Francisco. My undergraduate degree in Visual Arts was obtained from San Francisco State University. I also spent one year at California College of Arts and Crafts in Oakland on a scholarship. My education was further enhanced by a nine-year self-study in art and humanities in Western Europe. A variety of interests such as feminist art history, the myths and legends of various cultures, organic forms, and art forms from pre-historic cultures have been the catalyst for my creativity and an avenue in which to explore what all my formal and informal learning. My love for the tropics and connection to Guam led to further independent study. Twenty years ago, a move to Guam sparked new and personal interest in the spiritual aspect of the island, and I found that all of my previous experiences melded together quite naturally, resulting in a unique presentation of local themes.

EDUCATION/TRAINING/PERSOAL DEVELOPMENT:
- University of Guam; 1997, Teacher’s Credential for Secondary Education.

- Participated in and selected as a finalist for the Guam Cultural and Educational Facility (Guam Museum) to provide art work for the entrance mural, banners for several exhibit halls, and art work for a thematic area.

SUBJECT: LETTER OF RECOMMENDATION FOR DAWN REYES

Hafa Adai!

This letter serves to unreservedly recommend Dawn Lees Reyes in her application for a Fellowship for her proposed “Textures of Guam” project. I have known Dawn personally for many years and respect her creativity and unique style. Her portfolio effectively communicates ideas and feelings across a wide range of subject matter and mediums. I have no doubt that she can execute the proposed project as stated.

Dawn is an accomplished artist who has participated in several important creative events that benefit the community at large, such as her recent installation depicting Guam history and culture at the Valley of the Latte Visitor’s center, and contributions to the Guam Museum. Dawn supports the local arts community by participating in the Annual Women’s exhibit at Nissan Infinity Showroom. She was a Guam delegate for the visual arts portion of the Festival of the Pacific and has authored, illustrated, and published three children’s activity books based on CHamorro legends.

Given her strengths as an established artist who continues to engage, learn and grow in her profession, supporting Dawn in her desires to explore her Textures of Guam project will benefit not only her, but will be a positive contribution to the community, as she allows the rest of us in to view our beautiful island from her perspective.

Sincerely,

Judy Flores

SUBJECT: LETTER OF RECOMMENDATION FOR DAWN REYES

Hafa Adai!

I highly recommend Dawn Lees Reyes in her application for a Fellowship for her proposed "Textures of Guam" project, as I believe the project will be a significant learning experience for her as an artist and also an important and relevant addition to the body of work on island. I have known Dawn professionally and personally for many years and respect her creativity, unique style and technical abilities. Her portfolio effectively communicates ideas and feelings across a wide range of subject matter and mediums. Dawn is an accomplished artist who has participated in several important creative events that benefit the community at large, such as her recent installation depicting Guam history and culture at the Valley of the Latte Visitor’s center. She also has significant works installed at the Guam Museum and the Gloria B. Nelson Building. Dawn supports the local arts community by participating in, and more recently, curating the Annual Women’s exhibit at Nissan Infinity Showroom. She was a delegate and helped to curate the visual arts portion of the Festival of the Pacific when hosted by Guam. She has also authored, illustrated, and published three children’s activity books based on CHamorro legends.

I intend to provide exhibition space for her Textures of Guam series, once completed. Her work is original and reflects her knowledge and deep respect for the CHamorro culture, and I look forward to presenting the entire collection at Castro Gallery.

Sincerely,

Ric Castro, MFA

RE: LETTER OF RECOMMENDATION FOR DAWN REYES

Hafa Adai!

This letter serves to unreservedly recommend Dawn Lees Reyes in her application for a Fellowship for her proposed “Textures of Guam” project. I have known Dawn personally for many years and respect her artistic passion, creativity, and unique style. Her portfolio effectively communicates ideas and feelings across a wide range of subject matter and mediums.

I had the pleasure of overseeing the art selection for the Gloria B. Nelson Building and was very impressed with Dawn in terms of her professional presentation and the timely execution of the two very large works commissioned from her. I have no doubt that she can execute the proposed project as stated.

Dawn is an accomplished artist who has participated in several important creative events that benefit the community at large, such as her recent installation depicting Guam history and culture at the Valley of the Latte Visitor’s center, and contributions to the Guam Museum. Re: Dawn Reyes FY2020 Fellowship Application: Distinguished Fellow Category

Hafa Adai,

I am writing to recommend Dawn Reyes for the FY2020 CAHA Fellowship. I have known Dawn for over 14 years, have visited her studio on numerous occasions, enjoyed exhibits of her work at CAHA and other venues, and am fortunate to own two of her paintings which are displayed in my home.

Ms. Reyes is an accomplished Guam artist whose work is original, creative, and reflects her love of the island and deep respect for CHamoru culture. Although not a native to Guam, Dawn has made the island her home and has actively promoted cultural awareness and understanding of Guam’s unique history through her creative endeavors. She has created and published a series of children’s books of Guam’s legends; completed numerous competitive commissions, including seven paintings for Guam Museum; and in FY2017/18 received a grant from CAHA to create three paintings that are part of a nine painting series depicting different aspects of early CHamoru life and culture. This series is displayed at the Valley of the Latte, providing tourists and local visitors with the cultural context for what they experience during their tour of this beautiful site. Through the successful completion of these commissions and grants, Dawn has demonstrated her ability to create meaningful pieces of art reflecting the uniqueness of Guam, as well as her ability to successfully execute projects such as the proposed CAHA Fellowship.

I am particularly excited about Dawn’s most recent proposal for the CAHA Fellowship titled, Textures of Guam. Through the creation of eight pieces of art, she will explore Guam’s unique natural world from an intimate and abstract perspective using multiple mediums. This will represent a significant shift in her creative process which previously focused on historical and cultural themes through a narrative approach. When so many artists stay within the confines of a particular style and/or subject matter, Dawn is willing to challenge herself and the boundaries of her art. This is to be commended.

I have the deepest respect for Ms. Reyes. Her body of work clearly demonstrates the breadth of her creativity, technical expertise, and her ability to find new ways to convey what is so special about Guam through art. I am confident that the Fellowship will result in works that will be of benefit to the community and I recommend her without reservation. Please feel free to contact me if you have any questions or would like additional information. I can be reached at 488-4818 or via email at bbrandt@teleguam.net.

Sincerely,

Bonnie Brandt
